PROFESSIONAL SUMMARY

Final-year B.Tech Computer Science & Engineering student at Mewar University with hands-on project experience in Python, Django, SQL, and web development. Built an AI-powered resume analyzer and a department website with student portal features. Seeking entry-level software development or Python/Django backend opportunities, with a focus on problem-solving and continuous learning.

TECHNICAL SKILLS

Programming Languages: Python, SQL
Web Development: Django, HTML, CSS,
Databases: SQLite, MySQL
Python Libraries & ML Fundamental: NumPy, Pandas, Scikit-learn, machine-learning fundamentals
Tools & Core: VS Code, Git, GitHub, OOP, problem-solving, teamwork

PROJECTS

Hire AI – AI Resume Analyzer & Job Matching System | Python, Django, Tesseract OCR

- Developed a web-based application to analyse uploaded resumes and match them against job descriptions.

Implemented PDF text extraction, resume section and skill detection, matching score calculation, missing-skill identification, and personalized recommendations. **GitHub Repository**

CSE Department Website – Student Portal | Python, Django, SQLite, HTML, CSS, JavaScript

- Developed a department website featuring student registration, login, dashboard, profile management, and profile editing.
- Implemented faculty information, notices, events, and Django Admin Panel functionality.

Deployed the application online using Render. **GitHub Repository** | **Live Demo**

Task Flow – Task Management System | Python, Django, SQLite, HTML, CSS, JavaScript

- Developing a web-based application to create, organize, and manage tasks with deadlines and priority levels.
- Implementing user authentication, task creation, editing, deletion, and task status tracking.
- Building a personalized dashboard using Django ORM and SQLite for efficient task management.

INTERNSHIP

Python Intern – CTTC Bhubaneswar, Odisha |June 2025 – July 2025
Gained practical exposure to Python programming, software development concepts, programming tasks, and problem-solving.

EDUCATION

B. Tech, Computer Science & Engineering — Mewar University, Rajasthan |June 2023– July 2027

CERTIFICATIONS

• Artificial Intelligence Fundamentals — IBM Skills Build | Verify Credential |29 September 2026
• Career Management Essentials — IBM Skills Build | Verify Credential |29 September 2026
• Python — CTTC Bhubaneswar |June 2025- July 2025

LANGUAGES

English (Professional Working Proficiency), Hindi, Urdu
