PROFESSIONAL SUMMARY

Final-year B.Tech Computer Science & Engineering student with practical project experience in Python, Django, SQL, and web development. Built an AI-powered resume analyzer and a department website with student portal features. Interested in Software Engineering and Web Development roles, with a focus on problem-solving and continuous learning.

TECHNICAL SKILLS

Languages: Python, Java, SQL | Web: HTML, CSS, JavaScript, Django
Databases: SQLite, MySQL | Python / ML: NumPy, Pandas, Scikit-learn, Machine Learning Fundamentals
Tools: VS Code, Git, GitHub | Core Skills: Problem Solving, OOP, Teamwork

PROJECTS

HireAI – AI Resume Analyzer & Job Matching System | Python, Django, Tesseract OCR
• Built a web-based application to analyze uploaded resumes and compare them with job descriptions.
• Implemented PDF upload, text extraction, resume-section/skill detection, match scoring, missing-skill identification, and recommendations.
View Project on GitHub

CSE Department Website – Student Portal | Python, Django, SQLite, HTML, CSS, JavaScript
• Developed a department website with student registration/login, dashboard, profile management, and profile editing.
• Added faculty, notices, events, and Django Admin Panel features; used SQLite for data storage.
View Project on GitHub

MediPredict | Python, Machine Learning
• Worked on a healthcare-related prediction project using Python, data processing, and machine-learning concepts.

UPI Scam Detection System | Python
• Contributed to a group project focused on identifying potentially fraudulent UPI transactions; gained teamwork and problem-solving experience.

INTERNSHIP

Python Intern (Short-Term Internship) | CTTC Bhubaneswar, Odisha
- Gained practical exposure to Python programming and software development concepts.
- Practiced programming tasks and strengthened problem-solving skills.

EDUCATION

B.Tech, Computer Science & Engineering — Mewar University, Rajasthan (Expected: July 2027)

CERTIFICATIONS

Artificial Intelligence Fundamentals — IBM SkillsBuild | 29 September 2026 | Verify on Credly
Career Management Essentials — IBM SkillsBuild | 29 September 2026 | Verify on Credly
Python — CTTC Bhubaneswar | 2025 (as listed in previous CV)

LANGUAGES

English (Professional Working Proficiency), Hindi, Urdu
